1. Call to Order

The meeting was called to order at 5:06 pm by Vice-Chair Jini Reynolds.

A. Introductions and Guests

Present were Jini Reynolds, Katrina Frey, Chris Boyd, and Marybeth Kelly. Also present from the community were Jeff Box, Dino Gadolli, Sattie Clark and Steve "Gizmo" Henderson and Cathy Monroe.

2. Public Comments

Jeff commented that the new sign for the gas station was very bright, and several others agreed.

Gizmo let everyone know that he had spoken to Jacob at the MTA and found that the cost of a typical bus stop is around 5-6 thousand dollars. This includes an overhang and a solar powered light. During the discussion he also found that the initial stumbling block before the MTA decides on whether to put a bus stop in Redwood Valley, is for the community to decide where the center of Redwood Valley is going to be.

Sattie updated us on her situation and let us know that the insurance company that denied her coverage may be in defiance of state law. She will looking further into it and update us as it progresses.

Cathy advised that certain environmental issues should be addressed in the general plan as the current ordinance against the felling of oak trees is unlikely to be enforced.

3. Approval of Minutes

Treasurer Katrina Frey motioned to approve. A second was made by Member Chris Boyd.

The motion passed with the following vote:

4 **In Favor** 0 **Opposed**
 Abstained 4 **Absent**
